D. PRIZE WINNERS (4 categories: Pro, Weekend Warrior, Ladies and Jr.)

Angler Categories: This is an angler tournament. Category of entry is based on the angler, not the boat.

***Pro** = Any angler who "derives his/her livelihood from fishing / chartering boats / similar activity"

WW = Weekend Warriors are non-professional anglers who fish just for fun

Ladies = Women Anglers

Jr. = Anglers 16 years and under

***NOTE: Due to instances in years past we are adding in more detail who must enter Pro division: Any angler, regardless of gender and/or age, who is paid OR volunteers OR helps on a fishing/charter/commercial boat that charges for services MUST enter Pro Category.**

1. Winners are determined by weight – based on the weight of a single dolphin entered by a registered angler. Heaviest dolphin in each category wins 1st, next heaviest 2nd, 3rd heaviest 3rd.
2. Jr. Division has only 1 winning spot. 1st place for heaviest dolphin for anglers 16 years and younger. Proof of DOB may be requested at any time by the Tournament Director and Tournament Official Judge.
3. Individual anglers may hold only one place at a time. However, multiple anglers on the same boat may occupy multiple places.
4. ~~Subsequent Entries: Individual anglers may improve their standing with subsequent entry of a larger dolphin at any time before the close of the tournament weigh in. Close of the tournament weigh in is 6:00 p.m. May 9th, 2020.~~

NEW RULE BECAUSE OF 2020 YEAR FIASCO. YOU MUST WEIGH ALL THE FISH FROM YOUR BOAT AT THE SAME TIME – I.E. ALL THE ANGLERS ON YOUR BOAT WHO WANT TO WEIGH A FISH (OR MULTIPLE FISH) MUST DO SO AS A GROUP.

5. Official Weigh Station: All fish to be considered for winning places must be weighed on the official scale at Curly's Dock. Official Weigh In is 3:30pm – 6:00pm. Deadline for weigh in is 6:00 p.m. on May 7th, 2022. If angler is IN LINE and CHECKED IN with Weigh In Director at 6pm entry is legal.

In cases of special hardship only, the Tournament Director may permit prizes to be claimed by a representative of the winner. Prizes not claimed in accordance with these rules remain property of the tournament.

F. TACKLE AND METHODS: IGFA RULES APPLY

1. The entrant credited with a catch in tournament prize standings must have hooked and played the fish to boat-side or shore personally, without assistance. Normal sport fishing practices for landing a fish (e.g. gaffing, wiring, or landing nets) may be assisted.
2. Fish must be hooked and landed on a single rod and reel, pole, or hand-line.
3. Electrically driven reels on a free-standing rod (e.g. "Electramates") are not acceptable.
4. Expressly prohibited fishing methods for purposes of this tournament include: mounted winch devices ("one-armed bandits"), motor-driven long-lines, spearing, gigging, netting, shooting (including use of bang-sticks), or any method of catch in violation of State or Federal laws. Evidence of prohibited methods will disqualify the catch and all entrants fishing aboard the vessel on which such rule violations were committed.
5. Presence of prohibited gear on a contestant's boat will be considered evidence of use and shall be considered grounds for disqualifying the catch and all entrants fishing aboard the vessel
6. This is an OPEN EVENT: Professional guides, captains, and mates are eligible to participate as anglers within the PRO Division ONLY.
7. No one except the angler may touch the rod, reel or line after the fish has been engaged. "Engaged" is defined as the time at which drag is engaged (engage the drag lever or close the bail). No one except the angler may touch the rod, reel or line while the fish is being fought. The angler, captain, or crew may only touch the leader during the landing of the fish. They must touch the leader and not the double line.
8. Crew members are permitted to cast baits and transfer un-engaged rod to a neutral position (i.e. rod holder). Once an angler has engaged a fish, the angler must fight it to conclusion (loss, release or landing) before fighting another fish.
